

Loomis Youth Soccer Club: Sponsor Program 2008

Our Sponsor Program is designed to assist in keeping player costs down as the expenses continue to rise. Thanks to generous sponsors, we've raised a significant amount of money to offset club costs.

If you have participated in the LYSC Sponsor program in the past, please note the following change: Effective this year, two-thirds of the funds donated are returned to the individual team and can be used for any team function or expense. Multiple team sponsors are encouraged.

The Sponsor Program prefers donations in amounts of \$150.00 to sponsor a team, but any amount is appreciated. A \$150.00 donation will result in \$100.00 returned to the individual team, and \$50.00 retained by the Club, to offset sponsor plaque costs and other club expenses.

Each team will obtain their own sponsors. The process is simple. At the first team meeting, ask if anyone is affiliated with a business or individual who may like to sponsor a team.

Once you have obtained a sponsor, have them complete the Sponsor Form, attach a check made out to LYSC, and return it in the preaddressed envelope provided to LYSC c/o Kim Mann, 4800 Miners Cove Circle, Loomis 95650. Please try to have all forms in by September 25th.

The check will be processed by the Club Treasurer and a check for the team's portion will be sent to the Team Parent, or as indicated on the Sponsor Form. The Sponsor will receive a plaque with the team picture. The Team Parent will be notified when the plaque is ready.

Thank you in advance for your efforts in raising funds for the Soccer Club. If you have any questions, please contact me.
